REBORN 2012

SINGLE POT STILL

SINGLE CASK

Our Master Distiller, Alex Chasko, is renowned for his innovative cask selection when it comes to Irish Whiskey, creating expressions of true character. This Single Cask was hand selected by our good friends at Whisky Club Italia exclusively for the club's members. Originally distilled in 2016, this quintessentially Irish Single Pot Still whiskey is crafted using 50% malted and 50% non-malted barley. The whiskey has spent it's entire time maturing in an ex-bourbon cask, before being decanted from cask number 18331. Limited to just 270 bottles, non-chill filtered and bottled at 57% ABV.
